## Form Instructions

***Completing the Form:*** On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the 11-digit PR/Award Number (number is found in Box 2 of your Grant Award Notification (GAN)) for each HEERF grant funding stream as applicable, the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” Institutions that expended HEERF grant funds during the calendar quarter from January 1 – March 30, 2021 are required to post the quarterly report that involved the expenditure of HEERF II CRRSAA and HEERF I CARES Act funds. The Department did not previously affirmatively indicate this reporting requirement was in place for HEERF II CRRSAA funds. As such, institutions may have until the end of the second calendar quarter, June 30, 2021, to post these retroactive reports if they have not already done so. For the July 10, 2021 quarterly reporting deadline, institutions are encouraged, but not required to, submit the quarterly reports (this institutional reporting form and the student quarterly report) to the Department by emailing those reports as PDF attachments to [HEERFreporting@ed.gov](mailto:HEERFreporting@ed.gov).

In the chart, an institution must specify the amount of expended HEERF I, II, and III funds for each funding category: (a)(1) Institutional Portion; (a)(2), and (a)(3), if applicable. (a)(2) funds include Assistance Listing Numbers (ALNs) 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); (a)(3) funds are for ALN 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant) and 84.425S (SAIHE). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the (a)(1) Institutional Portion, (a)(2) and (a)(3) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. Round expenditures to the nearest dollar.

***Posting the Form:*** This form must be conspicuously posted on the institution’s primary website on the same page the reports of the IHE’s activities as to the emergency financial aid grants to students made with funds from the IHE’s allocation under (a)(1) of the CARES Act, CRRSAA, and ARP (Student Aid Portion) are posted. It may be posted in an HTML webpage format or as a link to a PDF. A new separate form must be posted covering each quarterly reporting period (September 30, December 31, March 31, June 30), concluding after either (1) posting the quarterly report ending September 30, 2023 or (2) when an institution has expended and liquidated all (a)(1) Institutional Portion, (a)(2), and (a)(3) funds and checks the “final report” box. IHEs must post this quarterly report form no later than 10 days after the end of each calendar quarter (October 10, January 10, April 10, July 10). Each quarterly report must be separately maintained on an IHE’s website or in a PDF document linked directly from the IHE’s HEERF reporting webpage. Reports must be maintained for at least three years after the submission of the final report per 2 CFR § 200.333. Any changes or updates after initial posting must be conspicuously noted after initial posting and the date of the change must be noted in the “Date of Report” line.
